LOCAL GRAIN MARKET.

DEMANDS REJECTED. New York, March IL-A complete amination Monday that he had of the anthracite coal commission with terested in. all necessary modifications, be con-

tinued for three years. In their reply the operators say: We are unable to accede to the demands presented by you at the joint ted to the people in the shape of a se onference in New York City on parate amendment the constitutions February 27. Were we to do so we convention started in late yesterday t would cast aside in large part the kill off minor proposals. Eight prowork of the anthracite strike com- possis covering education, agriculture nission appointed by the president of and other subjects, were indefinitely he United States in 1902.

"After months of conscientious and painstaking effort in the investigaion of the problems presented to them, the award they rendered stands recognized as the most just and sound solution of labor difficulties ever secured in this country.

"It has stood the test of time. It has been twice renewed by mutual agreement and has preserved peace in on industry long subject to contentions keys 156920; roosters 10 1-2; chickens and interruptions. It has brought good wages to the employers, stability I employment to the many industries milk, common to specials, 15@18 3-4. dependent upon mining and general prosperity to the anthracite region. "It should be conclusive as to all facts and Issues which is covered and

these have gince changed." The offer is then made to renew and xtend the original agreement of three cears from April 1 when the present existing agreement will expire.

In conclusion, the operators say: "We urge eareful consideration of our proposition and its acceptance by you. To act otherwise would not onyou. To act otherwise would not on-in all quarters of the London market. "Was the secretary a preside by benefit a rival industry but would in all quarters of the London market. "Was the secretary a preside for own slock market hositated; apthe anthracite region which the ex-Sheep and lambs -8 cars; 7.50 top perfences of the past have proved to regarding the English coal trace sibe most unforquate. Our issier to continue the present agreement seems ference between American miners and to be all that the present industrial employers in New York. But on the to go on the bench, I know ondition will warrant.

> to the termination of an agreement for all interests involved one of the most prosperous industrial districts in the country, carrying it through a panic and the resultant depression with less of friction or suffering than was experienced in other section.

"We trust that you demands will be withdrawn and that the prosperity which has so long obtained in the anthracite region will not be artitrarily and unnecessarily disturbed. The responsibility for a change in the present satisfactorily condition of affairs must rest with you and we believe that, upon consideration, our onclusions will commend themselves to your better judgment."

A French couple made their wedding tour in an scroplane. An actual case of "fly with me."

LEGISLATIVE CALLS ON SENATOR TO QUIT

SEN LEHOY PERCY

Senator Loroy Percy, of Mississip-Senator Legoy Percy, of Mississipal, elected two years ago to fill the unexpired term of Senator McLaurin, has been called upon by the general at tembly, of his home state to resign. It is declared the senator made a public promise that he would give up the office in the event of his defeat at the party primary last August, and that public sentiment now demands that he comply.

RAILROAD NEWS

"The Real Honeymoon Trail," The Erle railroad has been recom nended by a young married couple as "The Honeymoon Route," Some few weeks ago a young lady called up the ticket agent of the Eric at Cleveland and asked him where a good place t spend a honeymoon could be enlisted He replied that he did not know of better place than Sacgertown, Ohio He was thanked profusely, and thought no more of the matter.

Some few weeks later a young lady called and inquired for the party who had recommended Saegertown as good place for a honeymoon. He replied that he was the same. "We had a lovely time. I want to thank you, and you can call on my husband and myself for reference for future honeymoons. We think highly of the Eric as a "Honeymoon Route, and shall recommend it as the same. -Huntington Press.

Condition is Not Serious. Eric Flagman H. B. Conover will reover from the injuries received in the wreck of Eric train No. 13 at Athens a few nights ago. His injuries consist of a badly lacerated head and general bruised condition. It is said t will require some time for the

Track Supervisor to Leave Galion. James E. Fletcher, the popular Eric track supervisor, ams decated to remove from Galion to Mansfield.

Mr. Fletcher is quite popular, not only in railroad circles, but also as a citizen generally. He entered the sercice of the Eric rullroug in Galion in 901, in the capacity of freight house trucker. In 1902 he was transferred o yard clerk in the Galion yards and in 1968 was transferred to Superintendent Allen's office. He was apointed inspector in the maintenance of way department in 1905, promoted to amistant division engineer in November, 1906, and in 1908 was pro- themselves in readiness for field sernoted to supervisor which position he has filled with ability ever since. Some months ago when the Eric company distributed prizes to track upervisors for the best kept tracks, Mr. Fictcher was the winner of \$190, second prize for second beat sub-division on the Cincinnati division.
